

Common Errors	<p>The following is a list of the most common mistakes made by taxpayers when filing a NH Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:</p> <p>Have you signed and dated the return in ink?</p> <p>If This is a joint return, has your spouse included their social security number, signed and dated the return in ink?</p> <p>If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?</p> <p>Did you make the check payable to the State of New Hampshire?</p> <p>Are the written and numeric amounts on the check for the same amount?</p> <p>Have you signed and dated the check?</p> <p>Have you enclosed both pages of the DP-10?</p> <p>Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment please use Form DP-10-ES</p>
Who Must File A Return	<p>INDIVIDUALS: Individuals who are residents or inhabitants of the state for any part of the tax year must file providing they received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.) To determine whether a return must be filed, you should complete Step 1 through Step 5, Line 7. If the amount on Line 7 is \$0 or less you are not required to file an Interest and Dividends Tax Return. Please check the box under Line 8, sign in ink, and mail the form so that we may remove you from our mailing list.</p> <p>PARTNERSHIPS, LLC's, ASSOCIATIONS, TRUSTS AND FIDUCIARIES: Please see separate tables in this booklet regarding "WHO" and "WHAT" is taxable.</p>
Joint Filers	<p>To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.</p>
Part Year Resident	<p>For New Hampshire Interest & Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year. If you established residency after January 1, 2001, check the "Initial Return" box and enter the date of residency in Step 3. If you abandoned residency during the year, check the "Final Return" box and enter the date in Step 3. A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, please call the Taxpayer Assistance Office (603) 271-2186, Monday through Friday, 8:00 a.m. to 4:30 p.m. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint filers) and the full amount for the exemptions shown in Step 5, Line 10 of the return. Part-year residents must file a return if, during the entire year, their taxable income was over \$2,400 (or over \$4,800 for joint filers). However, only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable.</p>
When To File	<p>Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15, 2003. Fiscal Year: If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.</p>
Where To File	<p>MAIL NH DEPT OF REVENUE ADMINISTRATION TO: DOCUMENT PROCESSING DIVISION PO BOX 2072 CONCORD NH 03302-2072</p> <p style="text-align: right;">FACSIMILE DOCUMENTS ARE NOT ACCEPTED</p>
Extension To File	<p>New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.</p> <p>If you need to make an additional payment, you must file a Form DP-59-A along with the payment. This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.</p>
Confidential Information	<p>Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.</p>
Social Security Numbers	<p>Disclosure of social security numbers is mandatory under Department of Revenue Administration rules Rev. 221.02, 221.03. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c)(2)(C)(i). The failure to provide social security numbers may result in a rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.</p>
Amended Returns	<p>If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 3 on the return. New Hampshire does not have a separate form for amended returns.</p>
Rounding	<p>Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.</p>
Need Help	<p>Call the Taxpayer Assistance Office at (603) 271-2186, Monday through Friday, 8:00 am to 4:30 pm. All written correspondence to the department should include the taxpayer name, federal employer identification number or social security number, the name of a contact person and a daytime telephone number.</p>

Report Of Change	<p>To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, ROC-DP-10, form for each year. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed ROC-DP-10, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. An incomplete ROC will not be accepted. You may contact the Audit Division at (603) 271-3400 with any report of change questions. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions.</p>

Entity Code	2	3	4	5
Entity Type	S-Corporations	Partnerships	Trusts or Estates	Other

LINE 3 Enter the sum of Line 1(d) plus Line 2.
See Quick Checklist in this booklet for examples of taxable and non-taxable income sources
LINE 4 INTEREST AND DIVIDENDS INCOME NOT TAXABLE TO NH In column I, enter the reason code number which corresponds to the reason the income is not subject to the Interest and Dividends Tax. REASON CODE	REASON
1	Direct US government obligations
2	NH municipal bond
3	Long or short term capital gains included in Line 3
4	Individual retirement account/Keogh plans/other exempt retirement plans
5	Liquidating distributions
6	100% of K-1 interest or dividend income from a partnership/trust with non-transferable shares which is subject to I&D tax
7	A portion of interest or dividend income from a partnership/trust with non-transferable shares which is not subject to I&D tax
8	Allocation to non-NH residents
9	Specifically exempted Puerto Rico, Guam and Virgin Island bonds.
10	Distributive share of the entity's interest or dividend income indicated on Schedule K-1 and included in the partner, beneficiary or shareholder's federal income tax return.

REASON CODE 7 CALCULATION: Example: a resident/inhabitant receives a \$5,000 distribution from a partnership that has no usual place of business in New Hampshire and the Partnership has non-transferrable shares or from a fiduciary that is not a New Hampshire trust and the Fiduciary has non-transferrable shares.
The partnership or fiduciary's total gross income is \$100,000 and its interest and dividend income is \$10,000.
The amount of the distribution that is non-taxable to the resident is \$4,500; $\$100,000 - \$10,000 = \$90,000 / \$100,000 \times \$5,000$

Line 4(d) PART-YEAR RESIDENT NON-TAXABLE PRORATA SHARE: A part-year resident is a resident who established or abandoned residency during the year. Part-year residents may prorate interest and dividends income. Individuals filing as part-year residents may deduct the amount of taxable income earned while not a resident of New Hampshire. To determine the annual taxable income for the pro-rata share calculation, subtract Line 4(c), the subtotal of non-taxable income from Line 3, then apply the following calculation to that figure to determine the amount to enter on Line 4(d), part-year resident pro-rata share.
Annual taxable income x number of days a Non-NH Resident
365 days of the year

Enter the total of Line 4(c) plus Line 4(d) on Line 4.

STEP 3 Con- tinued	<p>LINE 5 GROSS TAXABLE INCOME: Enter the amount of Line 3 minus Line 4. To figure your Net Taxable Income, complete Lines 6 through 10. For Individual /Joint filers ONLY, if Line 7 is zero, you are not required to file a return. Check the box under Line 7 if you would like to be removed from the forms mailing list.</p> <p>LINE 6 Enter the income exemption. \$2,400 for individual, partnership or fiduciary or \$4,800, for joint filer.</p> <p>LINE 7 Calculate your Adjusted Taxable Income, Line 5 minus Line 6. To be removed from our mailing list please check the box.</p> <p>LINE 8 Deduct here the amount of any cash contribution made during the taxable period to a qualified investment capital company as defined in RSA 77-A:1,XXIV. (The return of any such contributions received within the next three subsequent periods is taxable and should subsequently be included in Line 2.)</p> <p>LINE 9 Check the exemptions that apply. Multiply the number of boxes checked by \$1,200 and enter the result.</p>																					
STEP 4	<p>LINE 10 Calculate the Net Taxable Income by subtracting Lines 8 and 9 from Line 7.</p> <p>LINE 11 Enter the amount from Line 10.</p> <p>LINE 12 Figure your Interest & Dividends Tax by multiplying Line 11 by 5%.</p> <p>LINE 13 Enter your payments on Lines 13(a) through 13(d). Enter the sum of your payments on Line 13.</p> <p>LINE 14 Calculate the tax due by subtracting your payments, the sum of Lines 13(a) through 13(d), from the tax calculated Line 12. Enter the remainder, balance of tax due, on Line 14.</p> <p>LINE 15 Calculate your interest and penalties, if any, as follows, and enter them on Lines 15(a) through 15(d). (a) INTEREST. Interest is calculated on the balance of tax due from the original due date to the date paid at the applicable rate listed below. Tax due x number of days from due date to date tax was paid x daily rate decimal equivalent. $\text{Tax Due} \times \text{Number of days} \times \text{Daily decimal rate equivalent} = \text{Interest due}$ <small>(see below for applicable rates)</small> Enter on Line 15(a). NOTE: The interest rate is recomputed each year under the provisions of RSA 21-J:28, II. WHAT IS TAXABLE
To the Individual Filer

The actual cash or property distributions you receive from partnerships, LLCs, associations, estates or trusts fall into one of the following three categories: entirely NOT taxable to New Hampshire, entirely taxable to New Hampshire, or taxable in part to New Hampshire. In general, you can determine which category your income falls into by answering the questions below.

- (1) **Is the organization required to file its own New Hampshire Interest and Dividends Tax return?** If yes, your entire distribution is NOT taxable to New Hampshire. See (1) below. Use reason code 6. If no, move on to question 2.
- (2) **Does the organization have transferable shares?** (Can you freely transfer your shares without causing a dissolution of the organization or without obtaining prior member approval?) If yes, your entire ACTUAL distribution from this organization is taxable. See (2) below. If no, move on to 3, below.
- (3) **If the organization is not required to file its own New Hampshire Interest & Dividends Tax return AND the organization has non-transferable shares,** then the distribution you received from them is taxable to you as if it had come from its original source. The interest and dividend income subject to tax shall be imposed on the portion of the actual distribution which represents interest or dividends received by the entity. See (3) below. Use reason code 7.
