WHO MUST FILE A BPT RETURN	<p>The NH Business Profits Tax law requires the filing of a combined tax return by a water's edge combined group. The law provides that the tax liability must be determined by the "water's edge" method, a statutory term which is defined as the determination of "taxable business profits" for a group of business organizations conducting a unitary business by adding their "combined net income", the additions and deductions provided in RSA 77-A:4 for the members of the group, and apportioning the results as provided in RSA 77-A:3. " Combined net income" is also defined by statute and although its calculation would include all business organizations conducting the unitary business, the NH Water's Edge Group excludes "overseas business organization" for tax calculation purposes. An "overseas business organization" is defined in the law as a business organization with 80% or more of the average of their payroll and property assigned to a location outside the 50 states and the District of Columbia. All business organizations, including corporations, fiduciaries, partnerships, limited liability companies, proprietorships, combined groups, and homeowner's associations must file a Business Profits Tax return provided they are carrying on business activity inside New Hampshire and their gross business income from everywhere is in excess of \$50,000.</p> <p>"Gross business income" means all income for federal income tax purposes from whatever source derived including: total sales, total rents, gross proceeds from the sale of assets, etc., before deducting any costs or expenses. Even if there is no profit, a return must be filed when the gross business income exceeds \$50,000.</p> <p>A "combined group" means any business organization whose unitary business is conducted inside and outside New Hampshire through the use of more than one legal entity and who files a single New Hampshire tax return (or other document) to report the activity of the combined group. If you are unsure whether or not you are required to file using the combined return, please call (603)271-3400.</p> <p>All business organizations conducting a unitary business must be included in the combined report unless they qualify as an overseas business organization, as defined by RSA 77-A:1 XIX, and are listed as such on the Form NH-1120-WE, page 2 (previously Form AU-20).</p>																
IDENTICAL FILING ENTITY	<p>The return filed for the Business Enterprise Tax MUST reflect the identical business entity reported for Business Profits Tax purposes. There are separate booklets for corporate, combined group, partnership, proprietorship and fiduciary returns. Non-profit organizations and limited liability companies shall file using the form which corresponds to their entity structure. LLC's shall file using the same entity type as they use for their federal tax return. If a separate federal tax return was not required, then use the same entity type as the reporting member used.</p>																
SEPARATE FILING THRESH-OLDS	<p>There are different filing criteria for the Business Enterprise Tax and the Business Profits Tax. You must determine whether or not you are required to file for each tax independent of your filing requirement for the other tax. For business organizations that file as part of a combined group for the Business Profits Tax, the filing requirement for the Business Enterprise Tax must be determined individually for each business enterprise inside that group. IF YOU ARE REQUIRED TO FILE EITHER TAX, THEN YOU MUST FILE A BUSINESS TAX SUMMARY. THE BUSINESS TAX SUMMARY VERIFIES AND UPDATES BOTH THE BUSINESS ENTERPRISE TAX AND/OR THE BUSINESS PROFITS TAX RETURNS. FAILURE TO FILE A BUSINESS TAX SUMMARY WILL CONSTITUTE AN INCOMPLETE FILING OF THE BUSINESS TAX RETURNS.</p>																
WHEN TO FILE	<p>Calendar Year: If the business organization files its federal return on a calendar year basis, then the BET return and/or the BPT return are/is due and must be postmarked NO LATER than the date indicated on the BPT return.</p> <p>Fiscal Year: If the business organization files its federal return on a fiscal year basis, then the business organization must file the BET return and/or the BPT return based on the same taxable period. The combined returns are due and must be postmarked NO LATER than the 15th day of the third month following the close of the fiscal year.</p> <p>For Non-Profit Organizations: The returns are due and MUST be postmarked NO LATER than the 15th day of the fifth month following the close of the taxable period.</p>																
EXTENSION TO FILE	<p>New Hampshire does not require a taxpayer to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of both the Business Enterprise Tax and the Business Profits Tax determined to be due by the due date of the tax.</p> <p>If you need to make an additional payment in order to have paid 100% of the taxes determined to be due, then you may file your payment on-line at www.revenue.nh.gov or file a payment and application for 7 month extension of time to file a business tax return, Form BT-EXT. The payment must be postmarked or received on or before the original due date of the return. Failure to pay 100% of the taxes determined to be due by the original due date may result in the assessment of penalties.</p>																
WHERE TO FILE	<p>MAIL TO: NH DEPT OF REVENUE ADMINISTRATION DOCUMENT PROCESSING DIVISION PO BOX 637, CONCORD, NH 03302-0637</p> <p style="text-align: center;">FACSIMILE RETURNS ARE NOT ACCEPTED</p>
