COMMON ERRORS

The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:

- Have you signed and dated the return in blue or black ink? (Rev 2904.04)
- If this is a joint return, has your spouse/CU Partner included his/her social security number, signed and dated the return in blue or black ink?
- If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?
- Did you make the check payable to the State of New Hampshire?
- Is the written amount on the check the same as the numeric amount?
- Have you signed and dated the check?
- Have you enclosed both pages of Form DP-10?
- Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment, use Form DP-10-ES

WHO MUST FILE A RETURN

INDIVIDUALS: Individuals who are residents or inhabitants of New Hampshire for any part of the tax year must file providing they received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)

To determine whether a return must be filed, you should complete Page 2, Lines 1 - 7. If the amount on Line 7 is \$0 or less you are not required to file an Interest and Dividends Tax Return.

PARTNERSHIPS, LLC's, ASSOCIATIONS, TRUSTS AND FIDUCIARIES: See separate tables in this booklet regarding "WHO" and "WHAT" is taxable.

JOINT FILERS: To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.

RECOGNITION OF CIVIL UNION (CU PARTNERS): Effective January 1, 2008, New Hampshire recognizes civil unions. RSA 457-A: Parties who enter into civil unions are entitled to all the rights and subject to all the obligations and responsibilities provided for in state law that apply to parties who are joined together under RSA 457. "CU Partner" means Civil Union Partner.

PART YEAR RESIDENT

For New Hampshire Interest & Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year.

If you **established** residency after January 1st of this tax period check the "Initial Return" box and enter the date of residency in Step 2. If you **abandoned** residency during the year, check the "Final Return" box and enter the date in Step 2.

A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, call the Central Taxpayer Services (603) 271-2191, Monday through Friday, 8:00 a.m. to 4:30 p.m.

Only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint filers) and the full amount for the exemptions shown on Line 8 of the return. Part-year residents must file a return if, during the entire year, their adjusted taxable income was over \$2,400 (or over \$4,800 for joint filers).

WHEN TO FILE

Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15th, unless the 15th is a weekend or a recognized State holiday, it will be due on the next business day.
Fiscal Year: If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.

WHERE TO FILE

MAIL TO: NH DRA (NH DEPT OF REVENUE ADMINISTRATION)
PO BOX 2072
CONCORD NH 03302-2072

FORMS MAY NOT BE FILED BY FAX

EXTENSION TO FILE

New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.

If you need to make an additional payment, you may file a Form DP-59-A along with the payment or e-file your payment on-line at www.nh.gov/revenue. This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.

CONFIDENTIAL INFORMATION

Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.

SOCIAL SECURITY NUMBERS

Disclosure of social security numbers is mandatory under Department of Revenue Administration rule Rev 2903.02. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c)(2)(C)(i).

The failure to provide social security numbers may result in a rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.

AMENDED RETURNS

If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 2 on the return. New Hampshire does not have a separate form for amended returns.

ROUNDING

Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.

REPORT OF CHANGE

To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, Form ROC-DP-10, for each year. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed ROC-DP-10, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. An incomplete ROC will not be accepted.

LINE 2 DISTRIBUTIONS SUBJECT TO THE NEW HAMPSHIRE INTEREST AND DIVIDENDS TAX: In column I, enter the entity code number which represents the type of entity of the payer. See the box below for ENTITY TYPE CODES. In column II, enter the name of the payer. In column III, enter the payer's social security number or federal employer identification number, if known. This amount may not correspond to any line on your Federal Form 1040 or your Federal Schedule K-1. **NOTE:** This is not a tax on pass-through portfolio income, gains or losses from a Federal Schedule K-1. Therefore, do not include any pass-through gains or losses from Federal Schedule K-1.

List on Line 2 any taxable annuities or the actual cash or property distributions you received or constructively received from "S"

corporations, partnerships with transferable shares, trusts or estates with transferable shares. These distributions are subject to tax in New Hampshire as a "dividend". (Transferable means that you can freely transfer your shares without causing a dissolution of the organization or without prior approval of the other members.) All publicly traded partnerships fall into this category. Taxable annuities are those annuities not invested in a tax-deferred investment plan pursuant to RSA 77:4-b. **ALL NONTAXABLE INCOME WILL BE DEDUCTED ON LINE 4.**

Entity Code	2	3	4	5

LINE 4 INTEREST AND DIVIDENDS INCOME NOT TAXABLE TO NEW HAMPSHIRE: In column I, enter the reason code number which corresponds to the reason the income is not subject to the Interest and Dividends Tax. REASON CODE	REASON
1.....	Direct US government obligations.
2.....	New Hampshire municipal bond.
3.....	Long or short term capital gains included in Line 3.
4.....	Individual retirement account/Keogh plans/other exempt retirement plans.
5.....	Liquidating distributions.
6.....	100% of K-1 interest or dividend income from a partnership/trust with non-transferable shares which is subject to I&D tax.
7.....	A portion of interest or dividend income from a partnership/trust with non-transferable shares which is <u>not</u> subject to I&D tax.
8.....	Allocation to non-New Hampshire residents extra period.
9.....	Specifically exempted Puerto Rico, Guam and Virgin Island bonds.
10.....	Distributive share of the entity's interest or dividend income indicated on Schedule K-1 and included in the partner, beneficiary or shareholder's federal income tax return.
11.....	Return of capital.

REASON CODE 7 CALCULATION: Example: a resident/inhabitant receives a \$5,000 distribution from a partnership that has no usual place of business in New Hampshire and the Partnership has non-transferrable shares or from a fiduciary that is not a New Hampshire trust and the Fiduciary has non-transferrable shares.

The partnership or fiduciary's total gross income is \$100,000 and its interest and dividend income is \$10,000.
The amount of the distribution that is non-taxable to the resident is \$4,500;
 $\$100,000 - \$10,000 = \$90,000 / \$100,000 \times \$5,000$.

Line 4(d) PART-YEAR RESIDENT NON-TAXABLE PRO RATA SHARE: A part-year resident is a resident who established or abandoned residency during the year. Part-year residents may prorate interest and dividends income. Individuals filing as part-year residents may deduct the amount of taxable income earned while not a resident of New Hampshire. To determine the annual taxable income for the prorata share calculation, subtract Line 4(c), the subtotal of non-taxable income from Line 3, then apply the following calculation to that figure to determine the amount to enter on Line 4(d), part-year resident prorata share.

Enter the total of Line 4(c) plus Line 4(d) on Line 4. Annual taxable income x number of days a Non-New Hampshire Resident
365 days of the year

WHAT IS TAXABLE
To the Individual Filer

The actual cash or property distributions you receive from partnerships, LLCs, associations, estates or trusts fall into one of the following three categories: entirely NOT taxable to New Hampshire, entirely taxable to New Hampshire, or taxable in part to New Hampshire. In general, you can determine which category your income falls into by answering the questions below.

- (A) **Is the organization required to file its own New Hampshire Interest and Dividends Tax return?** If yes, your entire distribution is NOT taxable to New Hampshire. See (1) below. Use reason code 6. If no, move on to question B.
- (B) **Does the organization have transferable shares?** Can you freely transfer your shares without causing a dissolution of the organization or without obtaining prior member approval? If yes, your entire ACTUAL distribution from this organization is taxable. See (2) below. If no, move on to (C), below.
- (C) **If the organization is not required to file its own New Hampshire Interest & Dividends Tax return AND the organization has non-transferable shares,** then the distribution you received from them is taxable to you as if it had come from its original source. The interest and dividend income subject to tax shall be imposed on the portion of the actual distribution which represents interest or dividends received by the entity. See (3) below. Use reason code 7.

INCOME FROM	WHAT IS TAXABLE	HOW TO SHOW THE TAXABLE PORTION
Partnerships LLC's Associations Trusts or Estates	(1) No part of your distribution is taxable to New Hampshire.	Not applicable.
	(2) All of your actual and constructive receipt of distribution (including non-cash distributions) from this entity is taxable to New Hampshire regardless of the original source of the income.	On page 2, Line 2, enter its entity code, list the name of the entity and its federal employer identification number. In Column IV enter the total amount of the distribution you received.
	(3) A portion of the distribution you received is taxable to you. The taxable portion is determined by multiplying the amount of the actual distribution received by a fraction. The numerator is the total interest and dividends received by the entity. The denominator is the total amount of gross income received by the entity.
