Business Tax Rates

The purpose of this Technical Information Release (“TIR”) is to provide taxpayers and practitioners with information about the rate of the Business Profits Tax (“BPT”) and Business Enterprise Tax (“BET”).

RSA 77-A:2, IV and RSA 77-E:2, IV provide that if, upon completion of the audited comprehensive annual report, the combined amount of general and education trust fund revenue collected, not including sums appropriated to the education trust fund in section 386 of HB 4 (Chapter 346, Laws of 2019), for the fiscal year ending June 30, 2020 is 6 percent or more below the official estimates for said fiscal year, the tax rate shall increase to 7.9% for the BPT and 0.675% for the BET for taxable periods ending on or after December 31, 2021. If the combined amount of general and education trust fund revenue collected, not including sums appropriated to the education trust fund in section 386 of HB 4 (Chapter 346, Laws of 2019), for the fiscal year ending June 30, 2020 is 6 percent or more above the official revenue estimates for said fiscal year, the tax shall decrease to 7.5% for the BPT and 0.5% for the BET for taxable periods ending on or after December 31, 2021. If neither scenario occurs, the BPT rate shall remain at 7.7% and the BET rate shall remain at 0.6%.

The official revenue estimates for the fiscal year ending June 30, 2020, not including sums appropriated to the education trust fund in section 386 of HB 4 (Chapter 346, Laws of 2019) were $2,626.2 million.

The total amount of combined unrestricted general and education trust fund revenue for the fiscal year ending June 30, 2020, as reported in the schedule of undesignated/unassigned fund balance was $2,520.2 million.

The total amount of combined unrestricted general and education trust fund revenue for the fiscal year ending June 30, 2020 was $106 million or 4.04% less than the official revenues estimates for the fiscal year ending June 30, 2020, not including sums appropriated to the education trust
fund in section 386 of HB 4 (Chapter 346, Laws of 2019). Therefore, the BPT rate will remain at 7.7% and the BET rate will remain at 0.6%.\(^1\)
