TAXPAYER IDENTIFICATION The Commissioner of the Department of Revenue is authorized pursuant to RSA 21-J:27-a to require submission of an SSN, FEIN, or any other identifying number used in filing or preparing federal tax documents. If you do not have any such identifying number, or share one with another taxpayer, then, under Rev 2903.01, you must obtain a Department Identification Number (DIN). The failure to provide a taxpayer identification number may result in the rejection of filed documents. Failure to timely file documents complete with a consistent taxpayer identification number may result in the imposition of penalties and interest, the disallowance of claimed exemptions, exclusions, credits, deductions, or an adjustment that may result in increased tax liability.

INSTRUCTIONS - continued

LINE 11

Exception pursuant to RSA 21-J:32, IV(a) - Prior period's tax. The prior year must have been a full twelve months and there must have been a tax liability. Multiply the annual tax paid in the previous year by the percentage shown in the boxes on Line 10, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9, Columns A through D are greater than or equal to Line 11 corresponding Columns A through D, you qualify for exception pursuant to RSA 21-J:32, IV(a). Do not complete Part III for any column in which you qualify for the exception pursuant to RSA 21-J:32, IV(a).

LINE 13

Exception pursuant to RSA 21-J:32, IV(b) - Prior year's tax base and facts using current period tax rate. Multiply your prior year taxable base by the current tax rate to arrive at an adjusted tax. Multiply the adjusted tax by the percentage shown in the boxes on Line 12, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9 Columns A through D are greater than or equal to Line 13 corresponding Columns A through D, you qualify for an exception pursuant to RSA 21-J:32, IV(b). Do not complete Part III for any column in which you qualify for the exception pursuant to RSA 21-J:32, IV(b).

LINE 15 Exception pursuant to RSA 21-J:32, IV(c) - Annualized Income. This exception is applicable to taxpayers experiencing periodic fluctuations in income. This exception applies if the estimated tax paid was 90% or more of the amount the taxpayer would owe if its estimated tax was calculated on an annualized basis for the months preceding an installment date.

A taxpayer may annualize its income as follows:

- (a) For the first 3 months, if the installment was required to be paid in the 4th month.
- (b) For the first 3 months or the first 5 months, if the installment was required to be paid in the 6th month.
- (c) For the first 6 months or for the first 8 months, if the installment was required to be paid in the 9th month.
- (d) For the first 9 months or for the first 11 months, if the installment was required to be paid in the 12th month.

To annualize the income, divide the taxable base for the period by the number of months in the period (3, 5, 6, 8, 9 or 11, as the case may be). Multiply the result by 12. Next, multiply the product by the current year's tax rate. Finally, multiply the result of the preceding calculation by the percentage shown in the boxes on Line 14, Columns A through D to calculate the exception amount. Do not complete Part III for any column in which you qualify for exception pursuant to RSA 21-J:32, IV(c).

If you qualify for the exception, pursuant to RSA 21-J:32, IV(c), you must attach a schedule to this form showing the annualized income calculations.

PART III - CALCULATE THE PENALTY

LINES 16 - 21

Complete Lines 16 through 21 for each quarter for which there was an underpayment of estimated tax and no exception to the penalty was met.

For the number of days indicated on Line 18, determine the number of days from installment due date to 12/31/21 and after 12/31/22 and allocate the number of days accordingly on Lines 19 and 20. Calculate the interest due as indicated on Lines 19 and 20 and enter in each respective column on Line 21.

NOTE: The interest rate is determined each year under the provisions of RSA 21-J:28, II. Applicable rates are as follows (contact the Department for applicable rates for any other years):

1/1/2021 - 12/31/2022	5%	.000137
1/1/2019 - 12/31/2020	7%	.000192
1/1/2017 - 12/31/2018	6%	.000164
1/1/2013 - 12/31/2016	5%	.000137
1/1/2010 - 12/31/2012	6%	.000164

LINE 22 - CALCULATION:

Enter on Line 22D the sum of the interest calculated in Columns A through D on Line 21. The result is the Penalty for Underpayment of Estimated Tax.

Note: The sum of days allocated between Lines 19 and 20 must equal the total days on Line 18.
