We are pleased to report that you have met most of the above standards adopted by the Assessing Standards Board (ASB), with the exception of the following:

Item III,B.4.a Current Use. The town is not applying the equalization ratio annually per RSA 79-A:5. Attached please find the Department's worksheets indicating areas that should be addressed.

Item III,C.2 & C3 Religious, Educational and Charitable Exemptions. The town did not have the BTLA Form A-9 on file for one of the five sampled applicants receiving the exemption. The Charitable entities have not filed a BTLA Form A-12. The town should review these annually and applicants need to file the BTLA Form A-9 annually and charitable entities need to file BTLA Form A-12. Attached please find the Department's worksheets indicating areas that should be addressed.

Prior to release of this report to the ASB you have an opportunity to respond to any DRA recommendations made. Your response should be made within 30 days of the date of this letter. We will be in contact with you to schedule a meeting to review this report. We are available to provide assistance to you in any areas not met, if needed.

We would like to thank the staff members who assisted with information retrieval as well as working in an understanding and cooperative manner.

I would like to take this opportunity to remind you that pursuant to RSA 75:8-a Five-Year Valuation as well as Part 2 [Art.] 6. [Valuation and Taxation.] of the State Constitution your next town-wide reappraisal must be completed no later than 2021.
